## Generous Donors, Bright Future

Your support enabled the Foundation to purchase several pieces of equipment last year; equipment to improve staff safety and to provide better and safer care for patients. Electric patient beds, Bedside tables; Patient lifts, a Glidescope, and a Crash Cart.

Thank you for supporting the best possible care in our communities!

## A Gala Event

The community has once again “stepped up to the plate”. On March 25th, the Foundation sponsored a Gala evening with Canadian comedian, Ron James. Needless to say, he was a tremendous hit.

Dr. Ken Milne touched many as he listed some of the accomplishments of our small hospital including the impressive number of his research articles that have been published in medical journals. He also demonstrated, through actual cases, how amazingly responsive the Hospital is when it comes to providing emergency services.

The atmosphere was charged and there was an air of excitement throughout the evening for the 300 people in attendance. Following the entertainment, the generous crowd, with humour and great competitive spirit, contributed almost \$40,000 to cover the cost of a bedside ultrasound machine, which the Foundation will be purchasing as soon as possible.

A special thanks goes out to all those who took a chance and bought Gala tickets, those who donated to the bedside ultrasound and all those who worked so hard to bring a special night to Exeter. (We will do it again next year!)

Chair
